## **An introduction towards success**

Rajshree Udhyog Established in 2005 Started in a small way, today rajshree operates India's Biggest Fully Automatic stone door frame Processing Unit 50% Export Oriented Unit at kishangarh , Rajasthan, with a huge capacity and state-of-the-art technology for Granite and sandstone processing. We have captured a large segment of the Indian Granite, Sand stone.

Right from the commencement of its activities, Rajshree Udhyog has been a reliable natural stone source filling for architects, contractors, builders and wholesalers. We have also ensured complete control of the entire production process, we owns mining land having more than 20 colors across the north Indian states. Right from raw material sourcing to on-time delivery, the plant has an annual production capacity of 900,000 sq. Ft.& r. Ft.

The company's core strength lies in its constant endeavor to promote new varieties of world-class products from time to time and also its ability in having fine-tuned concept of customer satisfaction to understand its client's needs. We are competent to supply Natural stones in slabs, Blocks and cut to size as per customer's requirements. This strategy has helped the company in registering a steep growth in both volume and its varieties.

Today our efforts to maximize shareholders value go beyond Granites & sandstone . We have developed a will to build a sustainable future by taking into account the economic, environmental and social needs of all shareholders, every step of the way.

### **Mission**

RAJSHREE 's mission goes beyond than the production and sale of the Natural Stone. It provides solutions to market demands and trends, sustaining itself by innovation, technology and customer service.

### **Vision**

Rajshree 's vision is to become the world benchmark for the Natural Stone sector, by strengthening its leadership position, maximizing growth opportunities when in other avant-garde segments of the Natural stone market.

Ensuring employment opportunities to the rural community.

### **Our Policy**

Uncompromising quality commitment and customer value creation with utmost integrity and sincerity towards all relations.

**100% Termite Proof & Weather Resistant.**

**Long Lasting & Maintenance Free.**

**Economical & Extended Life.**

**Fire, Heat Resistant.**

**Doesn't Shrink, Expand or Warp.**

**Environment Friendly.**

**Well Polished ♦ High Quality ♦ Fine Finish**

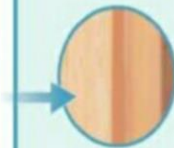

## Comparison

	SOLID GRANITE DOOR FRAME	WOODEN DOOR FRAME	SLAB(PATTI) DOOR FRAME
MAINTENANCE	Granite is 100% maintenance free. It is U.V. stabilized, non fading, non-discounting, scratch resistant and stain resistant. Granite is durable.	Wood requires maintenance because it discolors and is susceptible to scratches and stains. Wood is not durable.	Slab (Patti) Frame is U.V., stabilized, Nin -fading, non discoloring, scratch resistant and stain resistant.
WEATHER RESISTANCE	Granite is weather resistant. It dosent expands or shrink in any weather conditions. It is termite proof or fire proof.	Wooden expands and shrinks in any weather condition. Therefore, it needs repairing. It is neither termite proof nor water proof or fire proof.	Slab (Patti) Door Frame is stuck with adhesive which does not adapt it self to all weather conditions and loses its strength. It is termite and fire proof but not weather proof.
ECONOMY	Granite Door Frame costs less than Slab (Patti) and wooden door frames.	Cutting of trees is prohibited so it is more expansive.	Slab (Patti) Door frame is costly.

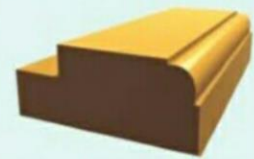

**Note :** The standard size of ready available frame is 7ft x 3 ft & 7ft x 4 ft and section 5 inch. in chamfering

**USE SOLID Stone Door Frames to Save Trees & Save Money**

The advertisement features a large, empty stone door frame on the left. In the center, an elephant sits on a tree stump, with a thought bubble above it containing the text 'HOW IT IS STRONGER THAN ME'. To the right, a smaller stone door frame is shown with the 'Rajshree DOORS FRAMES' logo. The background is a vast, flat, light-colored landscape under a cloudy sky.
